

Request to Dispute Background Check Report(s)

For your convenience, ADP Screening and Selection Services, Inc. (SASS) provides this Request to Dispute Background Check Report(s) Form (SASS Dispute Form) to file a dispute. As an alternative, you may file your dispute with SASS in writing without using the SASS Dispute Form, however, your written dispute must include the information requested on the SASS Dispute Form (for example, the detailed dispute, your name, address, phone number, Social Security Number, etc.). Regardless as to which method you use to file your dispute, please send the dispute to SASS using the fax number or the mailing address listed below.

You may also include with your dispute any supporting documentation you would like to be considered as part of your dispute review. Once received, SASS' disputes representatives will process your dispute following the Fair Credit Reporting Act required steps, including conducting a re-investigation, notifying the furnisher and/or source of the disputed information, and notifying you of the results. In addition, SASS will notify the employer, who ordered the original report, when the dispute is filed, and again when the dispute is resolved.
